On January 7, 1985, the Commission issued its Order in Case No. 9133¹ providing for further adjustment of these rates on a quarterly basis in accordance with the provisions of the Gas Supply Cost Adjustment ("GSCA") clause set forth therein.

On January 5, 1988, Louisville Gas and Electric Company ("LG&E") filed its quarterly gas cost adjustment which is to become effective February 1, 1988, and is to remain in effect through April 30, 1988.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(2) LG&E's notice set out a total refund factor of .033 cents per 100 cubic feet.

(3) LG&E proposed an actual adjustment of (.301) cents per 100 cubic feet, an increase of .311 cents per 100 cubic feet.

(5) LG&E proposed a total adjustment in the amount of (6.460) cents per 100 cubic feet, an increase of 2.543 cents per 100 cubic feet. This increase represents the combined effect of the supplier increase, actual, balance and refund adjustments.

(6) The adjustment in rates set out in the Appendix to this Order, determined under the GSCA provisions approved by the Commission in Case No. 8924 dated June 25, 1984, and Case No. 9133 dated January 7, 1985, is fair, just, and reasonable and in the public interest and should be effective with gas supplied on and after February 1, 1988.

(7) LG&E should provide detailed support for the items shown on Exhibit B-1, Page 3. This detailed support should become a part of all subsequent quarterly gas cost adjustment filings.

IT IS THEREFORE ORDERED that:

(1) The rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after February 1, 1988.

(2) Within 30 days from the date of this Order LG&E shall file with this Commission its revised tariffs setting out the rates authorized herein.

(3) Within 20 days of the date of this Order LG&E shall provide detailed support for the items shown on Exhibit B-1, Page 3. This detailed support shall become a part of all subsequent quarterly gas cost adjustment filings.
